

Pre-post Cruise Glamping Adventure

Many people choose a cruise to explore the Galapagos, and while it's the best way to see certain species on some of the far-flung, uninhabited islands, it misses the chance to slow down and experience the culture and vibe of life in the Galapagos. A pre or post-cruise stay at our safari-style camp in the highlands of Santa Cruz will give you a taste of land-based exploration of the Islands and will have you coming back for more!

Day 1 Santa Cruz Island

Falling in love with a destination is different for every traveler. Maybe it's a discovery of food, the excitement of getting off the beaten path or meeting and getting to know locals. For those that crave an insider's track to local life, we're excited to introduce you Galapagos Magic.

Magic is an exclusive giant tortoise reserve. Perched high on a hillside overlooking the ocean, Magic Galapagos Tented Camp will be your home for the night. The sounds of nature will serenade you in the evening, and the Milky Way will be your night light. Feast our eyes on the mountains and forests surrounding the Camp and enjoy the peace of having the entire hillside to yourself, with the exception of seasonal resident giant tortoises.

Watching the colorful sunset from Magic's western perch is the perfect segue into evening. Dinners are sumptuous three course affairs, prepared by expert chefs in an open-air kitchen in the main lodge or in our unique D'Cave restaurant, located in a lava tube on the property.
